Wedding Photography Packages

The Rock Collection

From the beginning of preparations on the big day, to the first dance at the reception, I will document your whole wedding day, with support from an assistant photographer. Photographing the preparations of both the bride's party and the groom's party, the ceremony, and the reception, we will ensure that your romantic moments, as well as the grand set piece photos, are captured perfectly. A lavish 16" x 12" album of 30 sides is included in the price, as well as two 8" x 6" parent albums.

Daymer Collection

The bride's preparations for her big day can often be a very special time, involving close friends and family, and I will be there to record this, before travelling to the venue to photograph the groom and his party. The bride's arrival, the ceremony, and some shots at the venue will follow, then I will record the reception, with your guests, continuing through to the speeches, and your first dance. A generous 12" x 10" album with 30 sides is included.

Polzeath Collection

Beginning with some unobtrusive photos taken during the bride's preparations, with her family and attendants, then moving on to the venue to photograph the groom and his party, waiting for her! I will photograph the arrival of the bride, the ceremony, and some shots of the happy couple afterwards. At the reception, I will take more photos of the couple and their guests, until the wedding breakfast begins. A lovely 12" x 10" album with 24 sides is included.

Porthilly Collection

The budget option, beginning with photographs of the groom and his party, as well as guests arriving at the venue, from an hour before the ceremony begins. The arrival of the bride, the ceremony, and more photographs at the venue will follow, then capturing more of the special moments of the day at the reception, until the wedding breakfast begins.

Register Office Special

Two hours, for you to use as you wish, for a register office wedding. Whether you opt to capture the bride's preparations plus the ceremony, or the ceremony plus some photographs afterwards at the venue or in a local beauty spot, or the ceremony plus the start of a celebratory meal with friends, the choice is yours. The price includes 20 prints up to 8" x 10", with the option to upgrade to an album if you would like. This price is for weddings within

30 miles of Wadebridge, though greater distances can be arranged if required, subject to a small charge.

Commitment ceremonies

Yes please! I've never been asked to record a commitment ceremony before, but I'd love to discuss yours with you. The same collections could be used as for weddings, or we could arrange an 'a la carte' package.

Album options

Many beautiful options exist for presenting your wedding photographs. If you see something you like, please let me know the details, and I'll be happy to give you a price.

In addition, many couples choose additional albums or photos for friends and family. Options include:

- Parent albums, for your closest family
- Brag books, typically 10 pages, with 20 photographs, around 3.5" square. Grandparents love these!
- Photo boxes, with 20 photos, often 6"x8" or 8"x10"
- Reprints, 5"x7", 6"x8", 6"x9" and 8"x10" or larger. Lovely for giving as 'thank-you' gifts to bridesmaids and close friends
